

## 6.2 User Acceptance Testing

| TC No. | Expected Result         | Actual Result | Status (Pass/Fail) |
|--------|-------------------------|---------------|--------------------|
| TC-1   | EEE records visible     |               |                    |
| TC-2   | EEE records hidden      |               |                    |
| TC-3   | Non-EEE records visible |               |                    |
| TC-4   | Access denied           |               |                    |

Fill in the Actual Result and Status columns after performing the impersonation tests.
